PROJECTS

CodeBin: Code Snippet Management Platform | [projectlink](#)

- Developed a web-based application for saving and managing code snippets using the Angular framework. The platform supports user authentication with login and sign up functionalities, protected routes with Auth Guards, and utilizes Firebase for back-end services.
- Technologies: Angular framework, Firebase

Fit-Heaven: Real-time Pose Estimation and Correction | [projectlink](#)

- Implemented a real-time pose estimation and correction system using React framework. Utilized computer vision techniques to detect and correct user poses, enhancing workout efficiency and reducing the risk of injuries.
- Technologies: React library

Portfolio Website | [projectlink](#)

- Implemented captivating interactions and animations to enhance user engagement and create a memorable user experience.
 - Technologies: HTML, CSS, JavaScript, GSAP
-

PROFESSIONAL EXPERIENCE

Magical Umbrella Pvt. Ltd.

July 2022–April 2023

Full stack Java and MySQL Developer Intern

- Collaborated with the front-end team to integrate and develop user interfaces, utilizing modern front-end technologies and frameworks.
- Developed and maintained full-stack web applications using Spring Boot and MySQL, contributing to both back-end and front-end development.

AnkHub Technology Services

March 2022–Jan 2023

Front-end Web developer Intern

- Collaborated with a team to design and implement front-end solutions using Angular framework, ensuring seamless user experiences across multiple devices.
 - Contributed to the design and development of iconic features.
-

EDUCATION

Bachelor of Engineering in Computer Science and Engineering

Jan 2021–May 2024

Government College of Engineering, Chandrapur

Achieved CGPA: 9.17

Higher Secondary School Certificate

June 2019–Feb 2020

Manohar Municipal Jr. College, Gondia

Achieved 77.85%

Secondary School Certificate

June 2017–Mar 2018

Aadarsh Convent, Gondia

Achieved 84.80%

SKILLS

- **Programming Technologies:** Java, JDBC, Hibernate, Spring Boot, HTML, CSS, JavaScript, Angular, Tailwind, Bootstrap, GSAP, Locomotive.
 - **Tools:** Git, GitHub, Figma, Trello.
 - **Database:** MySQL.
 - **Soft Skills:** Communication, Collaboration, Problem-solving, Adaptability, Quick learning.
-

ACHIEVEMENTS

- **Publication:** Co-authored a research paper titled "Enhancement and Evaluation of Workout Postures through AI-Powered Pose Estimation" published in the prestigious International Journal of Software Research and Engineering Methodology (IJSREM) Journal. [View](#)
- **Finalist in Blind Coding Competition:** Advanced to the final round in a highly competitive blind coding contest, showcasing exceptional problem-solving skills and proficiency in coding under pressure.
