SUMMARY

- Passionate Aspiring Java Developer with expertise in **Java, Spring, Spring Boot, Hibernate/JPA and Spring MVC frameworks**. Proficient in developing **REST APIs and microservices**, with additional skills in HTML and CSS.
- Successfully developed a comprehensive **Human Resource Management System (HRMS) and a Bank Application REST API project** showcasing strong problem-solving and innovative thinking."

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Html, CSS, SQL

Frameworks: Spring, Springboot, Hibernate/JPA, Spring MVC.

Tools: IntelliJ Idea, Eclipse, MySQL, Visual Studio Code, Postman, Maven, Gradle.

INTERNSHIP

Software Developer Intern

Railworld India Pvt Ltd

Jan 2024 – May 2024 | [SeeCode](#)

Human Resource Management System (HRMS)

- **Technologies & Tools:** Java, Spring Boot, JPA/Hibernate, MySQL, RESTful APIs, Gradle, Postman, IntelliJ.

Description:

- Design and developed some core entities using **springboot and hibernate/JPA**.
- Developed a **REST API** for entities for efficient data exchange and functionality.
- Ensure **security of application with spring security and JWT token for authentication and authorization**.
- For Efficient data storage **MySQL** is used.

PROJECTS

Bank Application REST API

Springboot REST API Project

Nov 2023 – Dec 2023

- **Technologies & Tools:** Java, Spring Boot, JPA/Hibernate, MySQL, RESTful APIs, Gradle, Postman, IntelliJ.

Description:

- Design and Implemented entities **Bank, Branch, Loan, Customer, transaction** using **springboot and hibernate/JPA**.
- Mapped entities using **hibernate/JPA** for efficient data exchange between entities.
- Developed **REST API to perform CRUD operation** for different entities.
- **MySQL** is used for data storage.

EDUCATION

Shree Tulsiramji Gaikwad Patil College of Engineering & Technology

Bachelor of Engineering (B.E) in Computer Science & Engineering

RTMNU

Jan 2021 – July 2023

Priyadarshini polytechnic, Nagpur

Post SSC diploma(polytechnic) in Computer Science

MSBTE

Aug 2018 – June 2020

CERTIFICATIONS

- Springboot and Microservices

Emexo technology | July2023 – Nov 2023

- Java SE-8

Unisoft technology | Dec2021 – Aprl2022
